REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: while Solem et al. (USPAP 2001/0018611) discloses a second anchor and a first anchor with a cable attached thereto, this prior art fails to teach or suggest a lock that locks the cable on the second anchor. While Cohn et al. (USPAP 2002/0183841) discloses a second anchor, a first anchor with a cable attached thereto, and a lock that locks the cable on the second anchor, this prior art fails to teach or suggest the first anchor being configured to be positioned within and fixed to the coronary sinus of the heart or for anchoring within the coronary sinus of the heart or of deploying the first anchor in the coronary sinus of the heart. There is no motivation to combine these prior art references to meet the claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
